

Why come to the Women's Retreat?

To get away...

From the stresses and distraction of a busy life and from the routine of the ordinary.

To laugh...

With other women of God, in a community where even if you come knowing no one, by the end of the weekend you leave with a whole new group of sisters.

To recharge...

In a place filled with peace and beauty, allowing you to hear the still small voice of God and to take intentional time to remember who you are in Him.

To be...

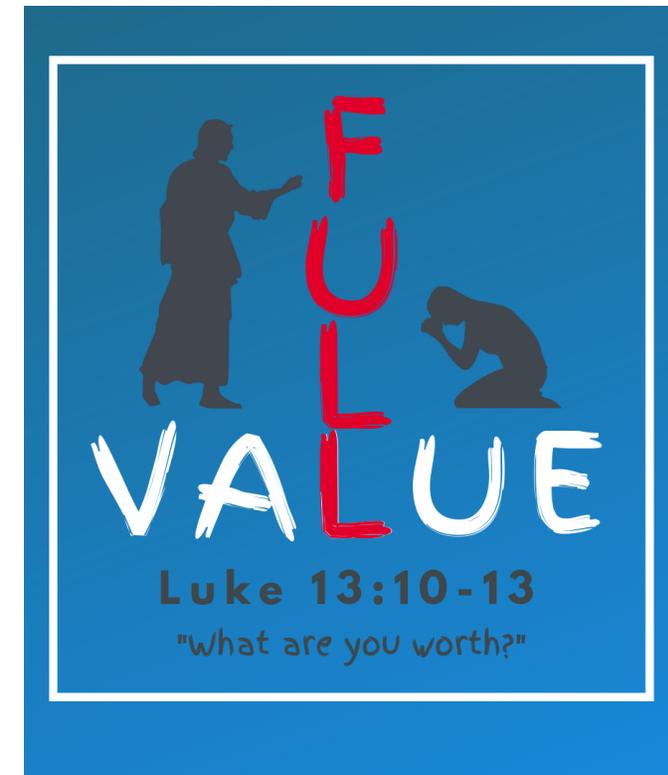

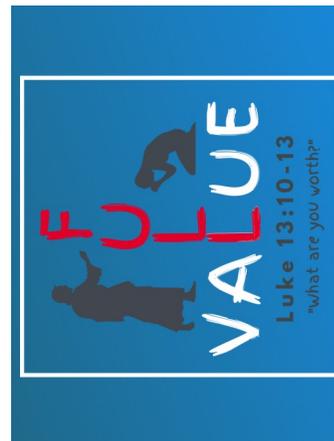

Loved. Encouraged. Challenged.
Refreshed. Filled. Known. Accepted.
Appreciated. Strengthened. Changed.

Because it will be one of the best weekends of your life.

Retreat Theme:

FULL Value

Join Amy in exploring the short and powerful story of Luke 13:10-13; "The Bent Over Woman". Have you been bent over by life? All of us have, at one time or another. We find ourselves bent over by physical, emotional, or spiritual burdens, weighed down, broken, and in desperate need of intervention from Jesus. Come learn from the Bent Over Woman and leave standing tall with a fresh reminder of your full value in Christ.

Retreat Speaker:

Amy Meyer grew up in St. Louis, MO and has lived with her family in Madison, WI for the past 20 years. Her husband, Jeff, is the lead pastor at "the Church", an LCMS church in Madison. Amy works with PLI, an organization devoted to equipping today's pastors, spouses and key church leaders to reach people for Jesus. Amy has a speaking ministry which allows her to present on a variety of topics to various women's groups in the United States and internationally. She is on a journey of learning to live more missionally in her neighborhood, being aware of who God has placed in her path and staying curious about what He is up to in their lives. Perhaps her greatest joy, in addition to being Jeff's wife and partner in ministry, is being Mom to four adult daughters and "Mimi" to her three grandchildren.

How to Register:

For only \$110, spend a beautiful fall weekend at camp with ladies of all ages. Create crafts, sing around a fire, go on an adventure, enjoy a massage, or simply take a nap and relax. Leave encouraged by new friendships, laughter, rest, and words of truth and love. Come by yourself or with friends and know that you will finish the weekend with a new-found sense of joy!
