

PLAN OF ACTION FOR SUMMER 2020

MAY 4th SUMMARY UPDATE

- Last week, we cancelled our Work Weekend retreat, scheduled for May 8-10.
- On **May 1st**, Governor Holcomb released Indiana's "[Back on Track](#)" plan, detailing a staged reopening of the economy.
- According to this plan, residential camps and campgrounds are to remain closed through May 23rd. Starting May 24th, camps are to follow CDC guidelines for camps, which as of today have not yet been published. They are expected to be published this week or next.
- Once the CDC guidelines have been released, we should have a clearer picture of where we stand in regard to the four CHECKPOINTS we must reach in order to run summer camp programs (as outlined in our [Plan of Action](#)).
- We will announce the status of the first week of summer camp programs (Classic Camp 1, Village Camp A, Tiny Tykes A) this upcoming Monday, **May 11th**. Registrants will receive an email listing their options for action at that time.
